

CERTIFICATE OF CAREFUL EDITING

This form must be turned in to the Program Office, 2-100 Hogan, when the dissertation is ready to be submitted to The Graduate School.

TO THE DISSERTATION DIRECTOR:

The student and the Dissertation Director are requested to certify that the dissertation has been edited to conform to preparation instructions and requirements for style and format specified in the current edition of Dissertation Formatting Guidelines for Students, published by The Graduate School. The wording of the title must be exactly the same on the dissertation, the abstract, and the Certificate of Careful Editing. The date on the title page is the date the degree is to be awarded, either in March, June, August, or December.

I certify that the dissertation entitled

has been carefully edited and is ready for microfilming without further editing or revision.
